HOW TO USE

Printable Tee Designs

Iron-on, HTV vinyl, or Cricut SVG pack

1

1. Print

Print designs mirrored on iron-on transfer paper for light or dark shirts.

2

2. Cut

Or import the SVG pack into Cricut Design Space / Silhouette and cut HTV.

3

3. Press

Follow your transfer paper or HTV brand's heat & time settings.

4

4. Peel

Cool peel or warm peel as directed, then wear and wash inside-out.

5

5. License

Free for personal use and gifts. Do not resell the digital files.
