1. Upload the SVG from the zip into Design Space or Silhouette Studio.
2. Resize using the chart above (keep proportions locked).
3. For HTV: MIRROR the design, place vinyl shiny side down, cut.
4. Weed away the excess vinyl with a hook tool.
5. Pre-press the garment 5 sec, then press per your vinyl's instructions.
6. Peel (hot or cold as directed). Wait 24 h before washing inside out.
