YANKEE SWAP RULES

White Elephant Gift Exchange

1. The draw

Everyone draws a number. #1 unwraps a gift first from the pile.

2. Your turn

On your turn, unwrap a new gift OR steal one already opened.

3. Steal limit

A gift may be stolen up to 2 times, then it is locked.

4. No revenge

You may not immediately steal back the gift just taken from you.

5. End of round

After the last number, #1 may make one final steal if they wish.

6. Be kind

Keep it fun — gag gifts welcome, mean gifts are not.
