GIFT EXCHANGE PARTY GAME • ALSO CALLED DIRTY SANTA OR YANKEE SWAP

White Elephant

official rules of the steal

1. Everyone brings one wrapped gift (agree a price limit, e.g. $20–$25).
2. Draw a number card to set the turn order.
3. Player 1 opens any gift from the pile and shows it off.
4. Each next player can STEAL an opened gift or OPEN a new one.
5. If your gift is stolen, you may steal another gift or open a new one.
6. No immediate steal-backs: you can't take back the gift just taken from you.
7. A gift is FROZEN after it has been stolen 3 times — it stays put.
8. When the last gift is opened, Player 1 gets one final swap. Game over!
